

It's Better to Give AND Receive

When you contribute to Phoenix Union high schools through the Arizona Education Tax Credit program, you do both. You provide needed funding for extracurricular activities for our students and you get a tax credit for the full amount up to \$300 on your state taxes.

Give You'll be providing opportunities and making memories for students. Extracurricular activities such as athletics, the arts, academic competition, career organizations, clubs or other enrichment opportunities, are an important part of a high school education. These tax credit contributions can assist with student activity fees, costumes and equipment, and funding for competition, camps, and travel.

Receive Arizona tax law allows married couples filing a joint return a credit of up to \$300 if they contribute to extracurricular activities in public schools. Single taxpayers or a head of household may take a credit of up to \$200. Because the deadline is December 31, you can contribute and receive the tax credit benefit after the New Year when you file your income taxes.

How to Make a Donation

Select a school (or schools if you want to split your donation) and the program you would like to assist. If you don't designate a program, your contribution will be applied to the school's general fund for extracurricular programs. You may mail or deliver your contribution to the school bookstore. Donations must be postmarked by December 31.

Programs

Ability Club	Swimming	Fashion Club	Inter-Club Council	Sculpture Club
